I will offer scholarships to those in need or for excellence. Please let me know if this is something that your family requires. I would never want to turn a student away from dance because of monetary concerns. However, there is criteria for acceptance of a scholarship.

\*Students would typically receive scholarship assistance for a maximum of three years.

\*Scholarship students are expected to uphold the highest standards of class etiquette and attendance.

\* Student must demonstrate long term interest in dance education.

\* Student will be asked to volunteer at various studio functions.

Class levels will be determined based off of evaluation.

This year, we will attend YAGP. We are currently considering Atlanta (January 19-21, 2018) or Dallas (February 2-4, 2018). It is not mandatory for your dancer to participate, however, it is highly recommended. We will begin preparation for YAGP the second week of classes. Please let me know as soon as possible which YAGP date works best for you and your dancer.

If your dancer is interested in a solo, a \$250 fee will be required per piece. This fee includes three sessions to set the choreography.
