### *Scholarships*

I will offer scholarships to those in need or for excellence. Please let me know if this is something that your family requires. I would never want to turn a student away from dance because of monetary concerns. However, there is criteria for acceptance of a scholarship.

- Students would typically receive scholarship assistance for a maximum of three years.
- Scholarship students are expected to uphold the highest standards of class etiquette and attendance.
- Student must demonstrate long term interest in dance education.
- Student will be asked to volunteer at various studio functions.

### *Competitions*

We will attend the Youth America Grand Prix (YAGP) Semi-finals. The 2019 YAGP dates have not been released yet but will be in January/February 2019. It is not mandatory for your dancer to participate; however, it is highly recommended. We will begin preparation for YAGP the second week of classes. We are also considering attending Prix de Lausanne February 3-10, 2019. This is for advanced ballet dancers ages 15 and up.

### *Solos*

If your dancer is interested in a solo, a \$250 fee will be required per piece. This fee includes three sessions to set the choreography.
